Fancy Sailing ? , but you don't know where to go to try it ?

Newburgh Sailing Club may hold the answer. We run dedicated training weekends with RYA qualified instructors, plus individual training nights throughout the year. Powerboat handling and Rescue boat training is also available.

Dinghies sailed at our club range from the fast and the furious, all the way to solid family dinghies such as the Enterprise and GP14 (ideal for a family of four). Cruising, racing or just pottering about on the water. further details available on the club website.

Newburgh Sailing Club has a friendly atmosphere, is family orientated with several families sailing regularly and as such is perfect for the kids. (children under the age of sixteen must be accompanied by a guardian or adult)

So why not contact us for more information ? , you 'll never know unless you go !
